Volunteering is a great way for kids to learn new skills, build self-confidence, and develop empathy and compassion for others. In this day, JCS students can:

- Show gratitude and appreciation to our caring Support Staff (Assistants, Drivers, and Guard)
- Go through their own toys, books, and school supplies and collect them for donations.
- Practice their reading skills by reading stories to other classes.
- Arrange school library.

In addition, students can participate with any volunteer ideas they choose.
